

PLASTIRENOV

BLACK PLASTIC RESTORER

USES

Silicone-free polish, insoluble in water. Restores and gives a new shine to all non-painted faded exterior black plastics (bumpers, trims, mouldings, rearview mirror housings...). Maintains, protects and leaves a gloss finish to all plastics.

PROPERTIES & ADVANTAGES

- Aerosol spray can for easy application.
- Nourishes and revives faded plastics.
- Deep cleaning of all plastics.
- Anti-static and waterproofing action.
- Gloss finish.
- ▶ Dust repellent.

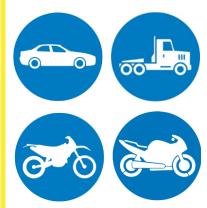

INSTRUCTIONS FOR USE

- Shake the aerosol well before use.
- Spray directly onto the surface to be cleaned from a distance of approximately 20 cm.
- ▶ Let the product act for a few minutes and then wipe with a clean, soft cloth.
- Repeat process if necessary (extremely dirty or tarnished plastics).

PRECAUTIONS FOR USE

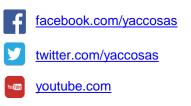

- Container under pressure. Keep away from heat.
- Easily flammable product : keep away from flames and sources of ignition. Do not spray into live electrical compartments.
- Ventilate before and during application.

Before using this product, always check the manufacturer's technical requirements in the equipment's service manual.
